

White's Auto Body  
Woodbury, NJ 08096

---

Being in business, I know when you gain back a former client, it is a sure sign you are doing something right! As in our case, coming back to Till's for our Waterborne turnover was a 'no-brainer.'

*Simply put, they know the business like no other.*

We are proud and happy to be back and the install went as smooth as we could have ever expected.
